PAYMENT AND ATTENDANCE POLICY

Missing workouts is detrimental to the success of any training program. In lieu of this fact and for contribution to the success of the trainee and the training program, a strict attendance policy will be in place. The attendance policy is intended to promote the success of the athlete or trainee. Although exceptions will be made in the case of catastrophic events or family emergencies, the attendance policy will be strictly enforced.

- Training must be paid prior to scheduling.
- Rates are set for each visit as scheduled.
- No increase in rate will be applied if another individual cancels or no-shows.
- If more individuals are added to a particular session, rates will be reduced accordingly and the balance will be credited and applied to future visits.
- Cancellations must be 24 hours in advance and a maximum of 2 cancellations will be accepted per programming period.
- If less than 24 hours notice is given, the visit will be automatically tallied to the account.
